

SCHEDULE OF ONLINE SUBJECTS 2021

Higher Education

ENDEAVOUR
College of
Natural Health

Endeavour College recognises that the changing world puts more pressure on our students to balance work and personal commitments.

To assist with this, Endeavour delivers selected subjects over the internet using a variety of presentations and communication tools. Weekly lectures are narrated, recorded and presented online, or sometimes live streamed. Students can choose to download class notes, podcasts or iPhone versions of recorded lectures.

Students have the choice of participating in discussions through forums, blogs and wikis. Staff and students enrolled in online subjects can communicate through instant messaging, Skype and virtual classrooms.

Assignments are able to be submitted electronically and posted back to the student through an online learning environment. Some subjects make use of virtual labs which provide realistic simulations using rich multimedia.

Students undertaking online subjects are supported with one dedicated online tutor for each subject to help support their learning.

Some subjects in this schedule may be timetabled at set times for students to participate in live streamed lectures or tutorials. Students are strongly encouraged to prioritise attendance at these classes.

SUBJECTS	SUBJECT CODE	4 JAN	1 FEB	1 MAR	5 APR	3 MAY	7 JUN	5 JUL	2 AUG	6 SEP	4 OCT	1 NOV	6 DEC
Chemistry and Biochemistry	BIOB111	✓	✓	✓		✓	✓	✓		✓	✓	✓	
Pathology and Clinical Science 1	BIOC211	✓	✓	✓		✓	✓						
Human Biological Science 1	BIOH111		✓	✓	✓		✓	✓	✓		✓	✓	✓
Human Biological Science 2	BIOH122	✓	✓	✓	✓		✓	✓	✓		✓	✓	✓
Biochemistry for Complementary Therapists	BIOO211			✓			✓		✓		✓		
Pharmacology	BIOP211	✓	✓	✓		✓	✓		✓	✓	✓	✓	✓
