Students can update their personal profile within the Student Portal. This can be done by clicking on the Profile tab.

If students are new to the online Learning Management System (LMS), an email will be sent to them with their login details **the Friday before their subject starts**.

EXAMINATIONS:

Online Quizzes

All Online Quizzes need to be completed within the due week as specified within the subject outline and assessment criteria.

Exam Period

Exam period commences week 16 for two weeks and consists of written exams and online quizzes as well as any final assessments to be uploaded for marking.

All written examinations will be performed using Respondus LockDown Browser and will be open in the LMS for a scheduled window of time; once started, examinations must be completed within the required exam timeframe. All written final exams will be scheduled during the two weeks following the date indicated on the calendar overleaf, under the heading **Exam Period Commences**. Students need to keep these two weeks clear of commitments until the exact date and time of final exam is published.

The examination details for the final exam for each subject delivered via livestream are published on the Student Portal and LMS under the relevant subject link at least six (6) weeks prior to the examination week. These details are published as a note via The Subject News NoticeBoard.

It is the student's responsibility at all times to regularly check The Loop for important final examination updates and information.

External Invigilation for Livestream Subjects

The College does not conduct supervised examinations on campus. Students who are unable, or do not wish, to use the Respondus LockDown software can apply to have their examination invigilated by an external supervisor.

Students applying to sit an examination with an external supervisor must submit the Nomination of External Exam Invigilator Form to examination@endeavour.edu.au at least one (1) calendar month prior to the final exam period.

Deferred Final Exams for Livestream Subjects

If you are unable to attend the nominated exam date as published on the LMS, then you must submit a Special Consideration Request with supporting evidence, no later than three (3) working days after the PUBLISHED date of the exam/s. If students do not attend a nominated exam and do not submit a Special Consideration Request this will result in an automatic fail grade for the exam.

The Special Consideration Request can be completed online via the Student Portal under the "Special Consideration and Academic Appeal" tile.

If students have any questions regarding examinations, please contact the Examination Department at examination@endeavour.edu.au

GRADUATION:

All requests to graduate must be received by 28 July 2023 to be included in the 2023 Graduation Ceremonies. Dates for graduation for each campus will be advertised separately in late 2022.
