

ENDEAVOUR
College of
Natural Health

Undergraduate Certificate in *Human Biology*

2024 COURSE BROCHURE

endeavour.edu.au

The Undergraduate Certificate in Human Biology enables students to gain a comprehensive understanding of human biology, human anatomy and provides an opportunity to develop critical thinking skills required for study in higher education. Graduates of this certificate can pathway directly into Endeavour's Health Science degrees or may use it to seek credits into another medical, nursing or allied health qualification.

Graduate Attributes

- Develop a foundational understanding of human anatomy, physiology and the history of health perspectives around the world.
- Develop an understanding of how natural health and medicine perspectives are informed by an understanding of both human biology and holistic practice frameworks.

Skills

Communication, critical thinking, organisation and digital literacy (all at basic level)

Included Subjects

- Human Biological Sciences 1 (BIOH1)
- Human Biological Sciences 2 (BIOH2)
- History of Healing (SOCH1)
- Foundations of Critical Enquiry (SOCQ1)

AQF level

AQF5 (mix of 2CP and 4CP subjects)

Course Duration

- 6 months full-time or 12 months part-time – BIOH1, BIOH2, SOCH1 and SOCQ1
- The Undergraduate Certificates qualifications are currently accredited until June 2025 and all subjects need to be completed by May 2025 (unless otherwise noted)

Study Mode

Subjects in this course are offered online. Students are not eligible for on campus cohorts.

Intakes

- February and March online intakes
- Offered nationally

Recognition of Prior Learning (RPL)

Students may apply for RPL based on relevant work experience and/or educational history.

Entry Requirements

Endeavour College is a direct entry institution.

- Year 12 or equivalent (OP/ATAR score not required)
- Mature age students without year 12 equivalent may be admitted based on demonstrated ability to undertake study at higher education level through relevant work and/or life experience, and/or attempted or completed formal, informal or non-formal study
- English language proficiency equivalent to a 6.0 IELTS result is required

Please note: This course is not approved by CRICOS for international students. Only domestic students (Australian or New Zealand citizens or permanent visa holders) may enrol in this course.

Payment Options

- FEE-HELP approved
- Upfront payment

Tuition payment arrangements must be confirmed upon admission to the College.

Who should do this course

If you haven't studied for a while or don't have a science background and are wanting to enrol in a Health Science degree, this course is ideal for you. It's also suited for people looking to gain a deeper understanding of human biology and communications skills.

Educational Pathways

Graduates will be eligible to pathway into further study with Endeavour College of Natural Health. Completion of this Certificate may also provide credits into other Higher Education Provider allied health qualifications.

For more information on this area of study explore online at endeavour.edu.au or call **1300 462 887** to speak with an Admissions Adviser.
